Special Collection

The annual collection for **CATHOLIC HOME MISSIONS** will be taken up this month. Right now, over 40 percent of dioceses in the United States are considered home missions because they are unable to fund essential pastoral work needed in their communities. Your support funds programs—such as religious education, seminary formation, and lay ministry training—to build vibrant faith communities right here in the United States. Special envelopes are in your packets. More information can be found at [www.usccb.org/home-missions](http://www.usccb.org/home-missions).
