BIBLE STUDY

The Bible Timeline Seminar, "A quick Journey Through the Bible," is a series of eight, half-hour talks that will help you to discover the big picture of the biblical narrative. Group discussion questions, useful maps and charts, and brief assignments for home study complement the DVD talks. Perhaps for the first time, you will understand the various people, places, events, and themes of the Bible as a whole, rather than as a collection of scattered stories. If you are interested in joining, contact Carol Weiser (671-3912) or Rosanne LaBarge (671-3350). Depending on interest, a 10:15-11:30 Tuesday morning and/or a 6:30-7:45 Thursday evening session is being considered.

Special Collection

The annual collection for **CATHOLIC HOME MISSIONS** will be taken up this month. Right now, over 40 percent of dioceses in the United States are considered home missions because they are unable to fund essential pastoral work needed in their communities. Your support funds programs—such as religious education, seminary formation, and lay ministry training—to build vibrant faith communities right here in the United States. Special envelopes are in your packets. More information can be found at www.usccb.org/home-missions.
