All Souls Envelopes

There are "All Souls Offering" envelopes in your packets for November 2. This is NOT a Special Collection and please do not use them for individual Masses. DO NOT put any money or checks in them at all. Rather use them to remember your loved ones by writing their names on them and, if needed, on a separate piece of paper placed in the envelope. They will be placed on the Mass altar during November, the Month of the Poor Souls, and then beside the Tabernacle until next year. They will be remembered at each and every Mass offered in our churches. Again, DO NOT include a donation in these envelopes. There are a limited number of extra envelopes for those who do not have packets. You may bring them to church and place them in the collection any time so they can be on the altar by November 2. If you wish to have Masses offered for All Souls, you may use a separate Mass Intention envelope.
