Thriving in Ag Conference: Renowned speakers, Dr. Ron Hanson - UNL, Dr. Mykel, Taylor - KSU, and Adam Jones, will be presenters at the first "Thriving in Ag" Conference, to take place at **Sacred Heart School in Colby on August 17th**. Topics for the day will include farm family succession, the state of the current ag economy, mental health awareness, and surviving challenging times in ag. The day begins at 9 a.m. and ends at 4:30 p.m., with a catered Chuck Wagon lunch provided. The Early Bird price is a low **\$20/person** or \$30/person at the door (with no guarantee of lunch). To RSVP and find all the details for the day, go to sacredheartcolby.com/ag-mission. Though farming and working in agriculture is beloved by many in our diocese, it is also unpredictable and can be highly stressful. Come enjoy a day interacting with speakers who have lived through difficult times in ag and have devoted their careers to helping YOU avoid that exact stress – you won't regret taking advantage of this unique opportunity!

Bible Study – The Bible Timeline, The Story of Salvation continues on Tuesday at 1:00 in the St. Joseph Church Basement. From the Pastor

The parish is always looking for new cantors and organists/piano players. If you are in Junior High on up to whatever age, and you feel like this is one of your gifts, please contact Heliana Halbleib at 785-672-0258. She will work with you to get you prepared and comfortable before singing or playing at your first mass. Also, if you know of someone who we should ask, but are maybe too shy to come forward, please let Heliana or myself know.
