Pledge cards and remittance envelopes are available at the main entrance of the church and also inserted into this weekend's edition of *The Register*. Please complete a pledge card and use the remittance envelope to place your donation in the parish offering today or mail it directly to Catholic Charities to provide a safety net for struggling individuals and families. Your support offers hope to people in desperate situations, so thank you for prayerfully considering a gift. *All support is greatly appreciated!* For questions, please contact Development Director, Eric Frank, at 785-825-0208 or efrank@ccnks.org.

FOR THOSE IN NEED: The Diocese of Salina participates in a scholarship program that assists low income families to attend a Catholic school among selected schools in the Salina Diocese. Students may qualify according to income and designated attendance centers determined by the Kansas State Department of Education. Parents who prefer a Catholic education for their children can check with a local parish school to see if they qualify and to apply. Please call the St. Joseph's Grade School office if you have any questions.

From the Pastor

Beginning this month you will notice there will be no daily masses on Mondays (funerals and holy days excluded). This will be my day off, and I will usually not be around the parish those days. In the seminary we were encouraged by all of the priests to take a day off, and be consistent as possible with it. Another priest put it this way: the priest's day off during the week is comparable to the lay people's duty to rest from work on Sunday. Please do not be surprised if I do not answer the phone or emails on Mondays. I will get to them on Tuesday. Thank you for your understanding.
