From the Pastor

We are now halfway through the summer, and it feels like it has barely started. This is a reminder of some of the spiritual advice that was given to us during seminary. When one stays stagnant in the spiritual life, one actually moves backward. When time is flying by, it is easy to coast or just do what it takes to survive. While sometimes this is necessary, to prolong this survival-like mentality will slowly make us prioritize what we must do, and push to the side things that we have been working on improving. Many times, the spiritual life is the first to suffer. This is a great moment to take time and reevaluate where we are, and to resolve ourselves to recommit to growing not just humanly, but spiritually as well.

Did you know that all registered parishioners within the diocese can receive our FREE diocesan publications? We have a monthly newspaper (The Register) and a quarterly magazine (faith). Contact your parish office to register as a parishioner and ask them to send your mailing address to the diocese so that we can get you on our mailing list. Or email [theregister@salinadiocese.org](mailto:theregister@salinadiocese.org). You don't want to miss out on our publications!

As you have heard in the last couple of months, the west parking lot, the front steps and the tuck-pointing will hopefully be getting repaired soon. To prepare for the cost of these repairs, I would like to raise \$50,000 for these projects. The parking lot alone is \$25,000. These are much-needed repairs, and are not only practical but also will make our church building more aesthetically pleasing. Thank you.
